

MPOWERS PUBLIC COVID-19 POSITION

Mpower's response to Coronavirus (COVID-19)

The safety of our clients and employees are our top priority as we manage the Coronavirus (COVID-19) pandemic together.

Mpower is closely monitoring the situation as it evolves each day and has a pandemic action plan in place as we are committed to safety of our participants, employees, family members and visitors to Mpower services.

We are following the information and advice from the Australian Government and the Victorian Department of Families, Fairness and Housing.

Our Management Team meets regularly to implement measures to keep participants and employees safe, while still delivering our services and programs. Every decision that Mpower makes during this time or during any directed Lockdown will be made with the health and wellbeing of our participants and employees in mind.

How we're keeping everyone safe

Our services and programs have plans in place to respond if participants or employees are exposed or diagnosed with COVID-19. An Executive Team is appointed who will support our employees and participants if someone has a confirmed diagnosis. Measures are in place to help minimise the spread of the virus and keep everyone safe.

These include:

- Practicing Good hygiene.
- Practicing Social distancing
- Clear guidelines for employees
- Minimising face-to-face contact
- There are also new rules for visitors attending our
- Following the information and advice from the Australian Government and the Victorian Department of Families, Fairness and Housing

We all need to work together to help reduce the spread of the virus
